#### TOMBSTONE EPITAPH.

PUBLISHED EVERY SUNDAY.

Tombetone, Cochise County, Arizona.

From Friday's Daily.

Congress mine got caught in a beer famine squeeze.

Napa Nick went through to San Francisco yesterday.

P. J. Delehante was before the board of equalization today talking in his own behalt.

Alex. Hill is making some necessary repairs to the steps at the court house which had become rotten with age.

E. B. Gage and wife, who have been spending several weeks in Tucson. left yesterday for the Congress mine.

Thus far this season not a drop of rain has tallen in many places along the San Pedro river between Fairbank and Benson.

Mr. McFarland, an old time printer, who held cases on the Nugget in this camp in '82, came in last night, and left today for Solomonville.

Wm. Neely and a dozen other miners, who have been working at Mammoth, having been laid off, have gone to Congress where they expect work.

Prescott barbers have signed a petition to the city council asking that an ordinance be passed probibiting barber shops from being opened on Sunday.

Near Prescatt a rich silver find has been made. Good ore is being taken out which goes 500 sunces in silver and contains several dollars in gold.

At Yuma during the blockade Roadmaster R. T. Burr dispatched a messenger to Los Angeles on a railread velocipede. He reached his destination in four days. Distance,

Captain Fuller of Fort Bowie passed through Benson yesterday on his way to Massachusetts, where he will spend several weeks, He believes that Fort Bowie will be abandoned next year and Fort Huachuca increased in size.

Rosemond, the new copper camp in the Santa Rita mountains, is a lively place. A large number of men are at work on the mine and plant. The Rosemond promises to be one of the biggest producers of copper in the

The Fingstaff Democrat says that the special act of congress, authorizing Coconino county to build a court house, has passed the senate, and in all probability has been signed by President Cleveland before this is in print.

Flagstaff raised the municipal license on gambling last week, and the sports closed down their games and boycotted the town. But it decapitation of several agents and asted but two or three days. The sub-agents over there. One of the amblers gave in and paid.

The Pinal county Republican Central committee has fixed the date for holding primary elections in the various precincts of that county on July 28th, 1894, to elect delegates to s county convention to be held in Floreace on September 18th, 1894.

At Las Vegas John Rodes, of the bridge and building department, Jack Borden, a switchman, and John Jackson, a lineman in the employ of the Postal Telegraph company, were arrested on the charge of having put dynamite on the track. Their preliminary hearing is fixed for Fri-

Dog days commenced on July 11th and are supposed to continue six Tabor's interest in the Van Buren weeks. By the superstitious this is regarded as the unhealthy season of Sheridan, Stewart, Hamilton, Tabor the year, and as exerting an evil and Wurtzback mines at Vulture, to influence upon everything. The satisfy a claim of \$7,820. The Illinois weather is supposed to be more sultry, National bank of Springfield also meats and vegetable to spoil more attached for \$11,200. eadily, and dogs run mad.

The Gazette save: Prof. Ray, who taught so successfully in the Phenix public schools, has been engaged to take charge of the schools of Tombstone. The people of that town can congratulate themselves upon the fact that in Prof. Ray they have got the ablest educator in Arizona and an honorable gentleman besides.

#### BENSON BITS,

Casis.

The second cutting of shalfa is in at St. David and this week they commenced threshing over there.

Mr. Willard Richards of the Nacosari mines in Sonora, was at Benson to law. Tuesday evening, en route to New York:

At St. David Tuesday evening Master Bert Goodman, a sixteen year old boy was thrown by a horse, and fractured both bones of both arms at

Those in charge of the work on the new road between Benson and Fairbank report that by Saturday night there will be eight miles of grade completed and ready for tracklaying.

The change in management of the New Mexico and Arizona railroad, it is anticipated, foreshadows other important changes in the personnel of the company.

It is anticipated that as soon as certain figures on materials are received from Los Angeles the materials will be ordered and construction work on the Catholic church at Benson resumed.

Last Saturday Roadmaster Merrill of the St. David settlement had a large force upon the bridge across the San Pedro at the lower end of the settlement, and put the structure in good repair.

The engine at the company farm at Willeox was forced to suspend last week for want of gasoline. A telegram to Los Angeles developed the horses plunged, and the driver started fact that the supply in that city was about exhausted.

It has taken the Sulphur Valley News about four weeks to cook up a reply to the inquiry of the Casis as to its probable position on the Miles passenger's satchels, seat, all. Into county project-in view of Judge Hawkins' recent decision in Coconing. At that rate the News will get into the thick of the fight about time the county seat comes to Benson.

#### ... Lined for Contempt.

T. J. Wolfley, editor and manager of the Republican, was fined in the sum of \$300 by Chief Justice Baker yesterday for contempt of court. The contempt arose out of an article published in the journal mentioned Peoria Canal company, with which ex-Governor Wolfley is associated. The ex-governor had filed an affidavit, praying for a change of venue, charging Judge Baker with prejudice and bias. The application was denied,

In closing, the judge said: "Mr. Wolfley the court finds you guilty of willful, deliberate, malicious and scurrilous libel, and you will appear for sentence before this court at 5:30 o'clock this evening."

He was sentenced to \$300 fine or confinement until the fine was paid.

The round sum of \$3,000 is the amount lost by a Yuma rancher who could not get his melons to market during the tie-up.

A stirring up at San Carlos by the government has resulted in the harges substantiated allowing cattle to range on the White Mountain Indian reservation, which is prohibited. Windmiller, one of the old standbys there, is to be among the number who will go.

The Lantry Bros., contractors of the Santa Fe, Prescott & Phenix rallroad, are putting to work every able-bodied applicant, and the grade to being pushed rapidly toward Congress. It is understood that a large working party will soon be sent forward to the rock work in the canyon of the Hassayamps, where several miles of heavy side-hill grading will be required.

Yesterday, in behalf of the First National bank of Madison, Wisconsin Sheriff Murphy attached ex-Senator Talmage, Conkling, Sherman, Custer,

Charles A. Baldwin & Co. BANKERS, 40 AND 42 WALL STREET,

NEW YORK.

2 o'clock p. m. Board of supervisors met pursuant

Present-W. K. Perkins, chairman, and Supervisor Ferrington; absent, Shattuck.

Minutes of previous meeting were on motion postponed.

The board on motion ordered a warrant drawn in favor of Mrs. A Adamson in the sum of \$30 for the support of Mrs. M. Loughlin, an indigent, said sum to be used for the months of July, August and September, 1894.

On unanimous vote of the members present, board stood at recess until 11 a. m., July 18, 1894.

Approved. W. K. PERKINS, Chairman.

A Singe Accident

Chiese

Last Thursday Moreno's stage, Nogales bound, met disaster and wreck and almost fatality. The passengers were a Tueson young man, named Ronstadt, and his sister, a young lady. It was at Calabases. The driver had just gotten his team well into the dry bed of the river, to cross, when with a rush and a roar down came a flood,

The Assignment of the stage of rush and a roar down came a flood. six feet high, and sweeping all before shortly appear here. Agent it. The young woman screamed, the wanted, Apply at once, to wheel them about, to return. Too late. The water came up to swimming depth for the horses, and the stage floated and tipped like the box it was. Everything was swept outthe flood they went swirling down the stream at a giddying rate. The young woman was carried down, and but for the brave efforts of her brother, would have drowned.

The flood subsided as quickly as it came, but left a drenched, muddy. and dilapidated stage outfit. The horses were injured, the stage broken, a scat gone, the top gone. The scat and cushions and satchels had floated down with the waters still roaring in the distance.

A private conveyance took the with reference to the case of the half-drowned young passengers to Nogales.

## Weak Women

Owe to themselves a duty to take Hood's Sera-partila, in view of the great relief it has given those who suffer from alloweds peculiar to the sex. By purifying the blood, regulating impor-mat organs, strengthening the nerves, and toning the whole system, it restores the debilitated to beauth.

## After 15 Years.

"For 15 years my mother has been troubled with milk leg. She went to different parts of California, as persons said the climate might help her, but it was of no avail, and I, being a druggist, thought I would get her to try Hood's Earsaparilla. Before she had taken half a bottle she said she was improving, so she continued un-til she took half a dozen bottles, and now she is perfectly well. For nearly fifteen years the was unable to walk around, but now she can walk as well as ever." T. F. BLAKE, San Francisco, with G. F. Richards & Co., Wholesale Druggista.

## Like a New Creature.

"I have been for years trying to get help for common to women. Within a year I have taken sen or twelve bottles of Hood's Sarsaparilla, and I am now feeling like a new creature." Man F B. Ross, Marlin, Texas.
